

Scientific Culture Units registered in the FECYT (in bold those that have participated in this study)	
1. Cocrane Iberoamerican Collaboration Association	23. Zaidín Experimental Station (CSIC)
2. Catalan Association of Scientific Communication (ACCC)	24. Euskampus Fundazioa
3. AZTI	25. FISABIO (Fundació per al Foment de la Investigació Biomèdica de la Comunitat Valenciana)
4. Campus of International Excellence in Agrifood	26. Fundació Privada Institut de Recerca de la Sida-Caixa
5. CSIC's Science House in Valencia	27. Fundació Universitària Balmes
6. Center for Genomic Regulation (CRG) in Valencia	28. Fundación 3CIN
7. Computer Vision Center (CVC)	29. Canary Islands General Foundation of the University of La Laguna
8. Astrobiology Center (CSIC-INTA)	30. Foundation GAIKER
9. Center for Biomedical Research Network, CIBER	31. Marqués de Valdecilla Research Institute Foundation (IDIVAL)
10. Cancer Research Center (USAL-CSIC)	32. Foundation for Nursing Development
11. Center for Research in Agrigenomics (CRAG)	33. Science and Technology Park Foundation of Extremadura (Fundecyt - PCTEX)
12. Principe Felipe Research Center (CIPF)	34. Andalusian Public Foundation Progreso y Salud
13. Center for Energy, Environmental and Technological Research (CIEMAT)	35. Seneca Foundation - Science and Technology Agency of the Region of Murcia. -
14. National Accelerator Center (CSIC-University of Seville-Junta de Andalucía)	36. 12 de Octubre University Hospital
15. National Center for Research on Human Evolution	37. IDIBAPS. Institute of Biomedical Research August Pi i Sunyer
16. National Hydrogen Center: CNH2	38. INCLIVA Health Research Institute
17. National Research Council (CSIC). Aragón	39. Catalan Institute of Paleontology Miquel Crusafont
18. National Research Council (CSIC). Galicia	40. Biomedical Research Institute of Lleida Fundació Dr Pifarré (IRBLleida) (IRBLleida)
19. National Research Council (CSIC). Illes Balears	41. Bioengineering Institute of Catalonia (IBEC)
20. National Research Council (CSIC). Central organization	42. Biomedical Research Institute (IRB Barcelona)
21. Consortium for the Construction, Equipment and Exploitation of the Synchrotron Light Laboratory. (CELLS)	43. Research Institute of the Hospital de la Santa Creu i Sant Pau (IIB Sant Pau)
22. Discover. Andalusian Foundation for the Dissemination of Innovation and Knowledge.	

Scientific Culture Units registered in the FECYT, continuation (in bold those that have participated in this study)	
44. Andalusian Institute of Historical Heritage (IAPH)	65. Scientific and Technological Park of the University of Las Palmas de Gran Canaria
45. Aragonese Health Sciences Institute	66. Castilla-La Mancha Science and Technology Park
46. Astrophysics Institute of Andalusia	67. Canary Islands Oceanic Platform (PLOCAN)
47. Institute of Astrophysics of the Canary Islands (IAC)	68. Royal Spanish Society of Physics
48. Institute of Evolutionary Biology (IBE, CSIC-UPF)	69. Distance University of Madrid (UDIMA)
49. Institute of Biomechanics of Valencia (IBV)	70. Autonomous University of Barcelona (UAB)
50. Institute of Mathematical Sciences (ICMAT)	71. Autonomous University of Madrid (UAM)
51. Institute of Corpuscular Physics (IFIC) / National Network for Particle, Astroparticle and Nuclear Physics (CPAN)	72. University Carlos III of Madrid (UC3M)
52. Institute of Biomedical Research of Bellvitge (IDIBELL)	73. San Antonio Catholic University of Murcia (UCAM)
53. La Fe Health Research Institute	74. Complutense University of Madrid (UCM)
54. Institute for Agricultural and Fisheries Research and Training (IFAPA)	75. University of Alcalá (UAH)
55. Fat Institute (IG-CSIC)	76. University of Alicante (UA)
56. Carlos III Health Institute (ISCIII)	77. University of Almería (UAL)
57. Barcelona Institute for Global Health (ISGlobal)	78. University of Barcelona (UB)
58. Institute of Chemical Synthesis and Homogeneous Catalysis (ISQCH) - Institute of Nanoscience and Materials of Aragon (INMA)	79. University of Burgos (UBU)
59. Spanish Institute of Oceanography (IEO)	80. University of Cádiz (UCA)
60. Geological and Mining Institute of Spain (IGME)	81. University of Cantabria (UNICAN)
61. Maimonides Institute of Biomedical Research of Cordoba (IMIBIC)	82. University of Castilla-La Mancha
62. National Institute for Aerospace Technology (INTA)	83. University of Córdoba (UCO)
63. Barcelona Science Park	84. University of Extremadura (UNEX)
64. Barcelona Biomedical Research Park (PRBB)	85. University of Granada (UGR)
	86. University of Huelva (UHU)
	87. University of Jaén (UJAEN)
	88. University of La Coruña
	89. University of La Rioja (UNIRIOJA)
	90. University of León
	91. University of Málaga

Scientific Culture Units registered in the FECYT, continuation (in bold those that have participated in this study)	
92. University of Murcia (UM)	105. Polytechnic University of Madrid (UPM)
93. University of Navarra (UNAV)	106. Comillas Pontifical University
94. University of Oviedo (UNIOVI)	107. Public University of Navarra (UPNA)
95. University of Salamanca (USAL)	108. Rey Juan Carlos University (URJC)
96. University of Sevilla (US)	109. University of Vigo (UVigo)
97. University of Valladolid (UVa)	110. University of Illes Balears (UIB)
98. Universidad de Zaragoza (UNIZAR)	111. University of València (UV)
99. University of País Vasco / Euskal Herriko Unibertsitatea (UPV/EHU)	112. International University of Catalonia (UIC Barcelona)
100. University Francisco de Vitoria (UFV)	113. Universitat Jaume I de Castellón (UJI)
101. International University of La Rioja	114. Universitat Oberta de Catalunya (UOC)
102. University Miguel Hernández (UMH)	115. Polytechnic University of Valencia (UPV)
103. National University of Distance Education (UNED)	116. University Pompeu Fabra (UPF)
104. Polytechnic University of Cartagena (UPCT)	117. University Rovira i Virgili (URV)

Most successful UCC+i activities	
<i>Lleida Biomedical Research Institute (IRBLleida)</i>	European Researchers' Night Somrecerca Day Educational workshops
<i>Fat Institute (CSIC)</i>	Coffee with Science in Science Week Science Influencers European Researchers' Night
<i>University of Salamanca</i>	Spring Science Festival Survival Kit for young researchers Network of scientific collections
<i>University of Valladolid</i>	European Researchers' Night Science Week Capaciénciate
<i>Center for Astrobiology (CAB, CSIC-INTA)</i>	Workshop Searching for Life in the Universe School visits Science Week
<i>La Fe Health Research Institute</i>	Your Hospital Research RRI Project Citizen Commission for the evaluation of biomedical research projects European Researchers' Night
<i>University of Navarra</i>	International scientific film festival Science on Wheels Women and Girls in Science Day (11F)
<i>Cancer Research Center (CIC-IBMCC)</i>	Program to promote scientific culture in schools Prevention campaigns Biobanks
<i>Catalan Association of Scientific Communication</i>	International Award for Scientific and Naturalist Illustration PerCientEx: Observatory of Scientific Journalism of Excellence Exhibition "Catalan Women Scientists 2.0": Itinerant exhibition that travels to different venues in Catalonia with profiles of 24 women scientists.
<i>University of Granada</i>	European Researchers' Night Science Week Day of Women and Girls in Science (11F)

Most successful UCC+i activities, continuation	
<i>CIBER - Network Biomedical Research Center Consortium</i>	Science Week
<i>University of Castilla-La Mancha</i>	Day of Women and Girls in Science (11F) European Researchers' Night Science Week
<i>Sincrotrón ALBA</i>	Open Day Mission Alba educational program Guided tour program
<i>University of Murcia</i>	MasterChem MurCienci Mednight
<i>Barcelona Institute for Global Health (ISGlobal)</i>	BiblioLab Science Project Endemic Project Project SAFE
<i>Catalan Institute of Paleontology Miquel Crusafont</i>	Family workshops Informative publications Conferences
<i>CENIEH</i>	Tooth fairy tooth collection campaign Itinerant exhibition "Evolution in the key of gender". Video on the oldest human burial site in Africa
<i>Carlos III Health Institute</i>	Day of Women and Girls in Science (11F) European Researchers' Night Science Week
<i>University of Vigo</i>	Galician Night of Researchers Workshops Fairs
<i>University of León</i>	Expociencia Science Week Day of Women and Girls in Science (11F)
<i>University of Cádiz</i>	European Researchers' Night
<i>University of Alicante</i>	European Researchers' Night Conferences Visits of high school students to the University

Most successful UCC+i activities, continuation	
Complutense University of Madrid	Science Week Press releases
University of La Laguna (Fundación General)	Girls with science (11F)
University of Jaén	European Researchers' Night Science Week Science School
Fundecyt-Extremadura Science and Technology Park	Science Week Cycle of lectures on science popularization Workshops to learn how to communicate science
University of Barcelona	UB Science Festival From girls to scientists (11F) Infinite Paths
Fisabio Foundation	Video Contest "De major vull ser com" (I want to be like a major) Scientists and Artists (11F) Science and beers
Universidad Autónoma de Madrid	Publication of press releases Mind the Las (small science workshops in the subway or renfe) Science at School
Marqués de Valdecilla Research Institute (IDIVAL)	Student visits to laboratories European Researchers' Night Program of Santander Biomedical Lectures aimed at healthcare professionals and open to the general public.
University of Cantabria	European Researchers' Night Science Week Day of Women and Girls in Science (11F)
INTA	Educational Visits Program INTA goes to school program European Researchers' Night
Public University of Navarra	In 3 minutes, science popularization contest for undergraduate and master's degree students European Researchers' Night Science Weeks

Most successful UCC+i activities, continuation

University Francisco de Vitoria	Mind On European Researchers' Night Science Week
AZTI	Event organization Successful press releases Web communication
